RESPONSE TO RESTRICTION REQUIREMENT

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Action mailed May 23, 2006, applicants elect to prosecute feeding device claims 1-7, Group I, *without traverse*. The Examiner is authorized to cancel the non-elected claims upon the indication of allowable subject matter. Applicants note that since they have elected Group I, it is not necessary for them to respond to paragraphs 4-16 of the Action.

Early action allowing elected claims 1-7 is solicited. Since the Examiner has not raised any issue as to the adequacy of applicant's disclosure to support the elected claims, applicants respectfully decline to respond to paragraph 19 of the Action at this time, as the work requested by the Examiner is unnecessary and is unduly burdensome to applicants.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **606402017200**.

Dated: June 20, 2006
